

THANK YOU FOR CONSIDERING HOSTING AN STR OUTPOST AT YOUR CHURCH.

HERE IS THE OVERVIEW OF WHAT OUTPOSTS ARE AND HOW THEY OPERATE.

STR Outposts are local communities of Christians seeking answers to the hard questions about Classical Christianity. Each Outpost is led by a qualified director who provides STR content on Christian Apologetics and leads discussions on defending the faith. Directors are vetted and equipped by STR to be capable of leading their local Outpost.

Our hope is that through Outposts there will be communities of Christians across the world wrestling with difficult issues and bringing clarity and clear thinking through a Biblical worldview.

WHAT WILL STR PROVIDE FOR THE OUTPOST?

- **Content:** Stand to Reason will provide ongoing apologetics content for Directors to utilize in their Outposts. The content will consist of online courses, videos, and discussion guides. Additionally, Stand to Reason will be a resource for all Outpost participants through our podcasts, articles, YouTube channels, and social media content.
- **Coaching:** Outpost Directors will have access to ongoing coaching and help through regular Zoom meetings with our Outpost Coordinator and other Outpost Directors. Additionally, Directors will have an open invitation to attend our annual Outpost Training event.
- **Community:** Connecting with other Outpost Directors is important for encouragement and the sharing of ideas. STR will provide regular meetings in which Directors can collaborate and discuss what works well with their Outposts.
- **An Outpost listing** on the STR Outpost Directory website.
- **Outposts in a Box:** This is our starter kit for Outposts that will be full of STR swag, content, promotional materials, and a few surprises.
